Contact OSB Community Bank at 815-433-2525 for current interest rates and annual percentage yield information. Interest begins to accrue on the business day you make your deposit. Interest is compounded and credited to your account monthly. At our discretion, your interest rate and Annual Percentage Yield may change at any time. You will receive interest accrued upon closing the account. We use the daily balance method to calculate interest. This method applies a daily periodic rate to the principal in the account each day.
